

MAZE'S END

Hook

The walls in the maze are crafted by the players. With various event tokens, every maze is unique, adding high replayability.

The maze is the Minotaur's home, giving him distinct movements. Crashing through hallways and walls won't stop the Minotaur. He is always coming for you. *De end is coming!*

30 - 60

Premise

Maze's End is a strategic maze building board game where players race through an ever changing maze to collect precious treasure while evading the Minotaur. You will need to wisely carve a path through the maze whilst blocking other adventurers. Players must avoid the Minotaur in order to escape with the treasure unharmed. Challenge and race your friends to see who is the best treasure hunter.
